**M/Y Barbara is one of the most attractive three-masted motorized sailing yacht on the Adriatic. With just 16 cabins situated on the lower and the main deck, the yacht-like Barbara is just the perfect size for calling at the small island ports and coastal cities of Dalmatia.**

#### **HER MAIN CHARACTERISTICS ARE THE FOLLOWING:**

**Length of hull:** 41,00 m  
**Width of frame spacing:** 8,35 m  
**Year of building:** 2006  
**Motor power:** 2 x 380 Hp  
**Speed:** 12 kts  
**Water tank:** 80 t  
**Fuel tank:** 10 t

#### **RESTAURANT:**

The restaurant is located on the main deck and in order to achieve quicker and better communication the restaurant is placed right next to the galley. Fully air-conditioned (cooling and heating). There are 40 seating places. All three main meals are served: breakfast, lunch and dinner. There are two stewards in attendance who have for their use a separate counter in the restaurant. The interior is decorated in accordance with the highest standards together with all the required facilities that are usually found on small cruise ships.

#### **SUN DECK:**

The sun deck is intended for relaxation, sunbathing together with requisites required for this purpose (deck chairs, sunbathing chairs and whirlpool). Total sun deck area measures 220 m<sup>2</sup>.

#### **OTHERS:**

Barbara is having one dingy and jet-ski for fun.
