

M/S KAYA GÜNERİ III

KAYA GÜNERİ III (maximum 16 guests) is 29 metres. It is a traditional 'gulet' design i.e. with rounded stern. It has 8 cabins. 4 cabins have double beds and 4 are twins (i.e 2 single beds). The whole interior is varnished mahogany and well finished with quality fittings, furnishings and fabrics. The cabins have large wardrobes and some smaller cupboards and drawers as well. The bathrooms have shower cubicles and sinks with marble surrounds and built in vanity units. The 6 forward toilets are house flush type, the aft 2 electric. The saloon is spacious and airy and the galley is below. Apart from the aft deck dining area and cushions behind and sunbathing area on the foredeck there is further seating forward with 2 tables for pre dinner drinks. The cabins and saloon are air conditioned (switched on for siesta and to cool cabins for sleeping but not 24 hour). This outstanding yacht is renowned for the excellent service provided by the crew of which there are 4, the captain speaks English.
