

M/S SUNWORLD IX

SUNWORLD IX (maximum 16 guests) is 30 metres with 8 spacious cabins. 4 cabins have a double and single bed and 4 have double beds. The cabins and saloon are air conditioned (switched on for siesta and to cool cabins for sleeping but not 24 hour) with all towels provided, bath robes and hair dryers. The bathrooms have shower cubicles and sinks with marble surrounds, the toilets are electric. For dining the salon is very large with sofa seating and bar, the galley is below. On deck the dining table can seat 16 comfortably and there are sun bathing mattresses and cushions for relaxing as well as sofa seating and small tables forward for pre-dinner drinks. There are 4 crew members and the captain, who we know personally, speaks English.
